

TO: Clean Water Services
2550 SW Hillsboro Hwy
Hillsboro OR 97123

Date:

We, the undersigned, are owners of property or are contract purchasers of record of property, located outside of an incorporated city but within the boundaries of Clean Water Services.

In this capacity, we request that a preliminary engineering study and assessment report to be prepared containing the nature of the facilities required, estimated project cost, method of assessment and estimated per parcel cost.

We further request, that a Local Improvement District be established in accordance with Clean Water Services appropriate ordinances, pending approval of the engineering study by the Clean Water Services Board of Directors.

We understand that one public hearing will be held and that notice of said public hearing will be mailed to all property owners within the Local Improvement District.

We further understand that the district will be dissolved if the required number of written objections are received prior to the conclusion of the public hearing.

PLEASE NOTE: The information you provide below is not confidential and may be made public through the LID formation process.
