Subject: D&C Standards Update--Sept. 12, 2006 - Review selected draft revisions

Thank you for participating in the Design and Construction Standards update process. Meeting notices, notes, and materials are posted on the District website at www.CleanWaterServices.org.

Please join us for the next meeting:

Tuesday, September 12
3 to 5 p.m.

Clean Water Services' Tualatin Room
2550 SW Hillsboro Highway

We will discuss the draft revisions (please note the renumbering of chapters) of the following topics only:

- Chapter 7 -General Construction Specifications for Conveyance Systems
- Chapter 8 - Technical Specifications for Conveyance Systems
- Chapter 9 - Wastewater Pump Stations and Force Mains
- Chapter 10 - Septic Tank Effluent Pump (Step) Systems

The draft revisions of those chapters and proposed schedule for the update process are posted on the website at:

<http://www.cleanwaterservices.org/PermitCenter/DesignandConstruction/Update/default.aspx>

Please email comments on the draft revisions to Terry Keyes at keyest@cleanwaterservices.org
