Subject: D&C Standards Update - REMINDER - RESCHEDULED to Oct. 5

Thank you for participating in the Design and Construction Standards update process. The two topics for the October 5 meeting will be 1) **Conveyance System Design** and 2) **Erosion Prevention and Sediment Control**. Please attend the topic discussion of your choice, and encourage colleagues to attend as appropriate.

Thursday, Oct. 5, 2006
3 to 5 p.m.
Clean Water Services' Tualatin Room
2550 SW Hillsboro Highway

The draft revisions of Chapter 5 (Conveyance Design) and Chapter 6 (Erosion Prevention and Sediment Control) are now posted on the website at:
