**Subject:** D & C Standards Update Invitation--May 9, 3 to 5 pm

Thank you for participating in the Design and Construction Standards update process. Project materials will be posted on our website at [www.CleanWaterServices.org](http://www.CleanWaterServices.org), so we'll send an email link to let you know when that starts.

Based on feedback at the kickoff meeting, topics for the next meeting will be: 1) Planting Densities; 2) Pipes; and 3) Low Impact Development. Discussion of a fourth topic, buffer slope calculations, will be postponed until a future meeting to allow more people to participate in the discussion of planting densities.

Next meeting:

**Tuesday, May 9  
3 to 5 p.m.  
Clean Water Services - Tualatin Room  
2550 SW Hillsboro Hwy**

All meetings will be on Tuesdays, 3 to 5 p.m. at Clean Water Services. Future meeting dates: May 30, June 20, July 11, August 1, August 22, September 12, October 3

Please feel free to share this information with anyone who should participate.

*Trudy A. Hull*  
Administrative Assistant  
Clean Water Services  
2550 SW Hillsboro Highway  
Hillsboro OR 97123
