

## FEES AND CHARGES AT A GLANCE

---

Clean Water Services  
Resolution and Order No. 18-19 Appendix A  
July 1, 2018 – June 30, 2019

### System Development Charges (SDCs)

- Sanitary Sewer SDC's: \$5,650 per Dwelling Unit (DU) or Equivalent Dwelling Unit (EDU). 1 EDU = 16 fixture units.
- Storm Sewer SDC's: \$545 per Equivalent Surface Unit (ESU). 1 ESU = 2,640 sq. ft. of impervious surface.
- A Dwelling Unit (DU) is described as a separate residential unit with kitchen, bed and bathroom facilities, including those in multiple dwellings, apartments, motels, hotels, mobile homes or trailers. Where allowed by zoning regulations, a dwelling unit shall also include an ancillary dwelling unit located on the same lot.
- An Equivalent Dwelling Unit (EDU) is described as a nonresidential unit which is deemed equivalent to a dwelling unit as provided herein or as provided in the State Plumbing Code
- An Equivalent Surface Unit (ESU) is described as a measurement unit based on the impervious surface area of an average improved single dwelling lot or parcel, determined by a statistically significant sampling of such parcels.

### Permitting Fees

- Permit Processing Fee: \$70
- Refund Processing Fee: \$25 plus costs defined in Section III.C.15
- Protected Natural Area Signs: \$7 (4"x4"), \$29 (12"x18")
